

Writing Lives in Science

Janet Browne

Department of the History of Science
Harvard University

Dr. Janet Browne is the author of a two volume biography of Charles Darwin that is both a biographical study and an exploration of how 19th century scientific knowledge was created, distributed and accepted:

Charles Darwin: Voyaging

Charles Darwin: The Power of Place

Free Lecture: Open to the Public

Parking information: <http://parking.fullerton.edu/>

Sponsored by the CSUF [Department of Liberal Studies](#)
